

**Chinese Ginseng**, a revitalizing herb, enhances the body's natural ability to adapt to mental and physical stress. This product conforms to the dosage and mode of administration as established by the German Commission E monograph and contains standardized Chinese Ginseng (*Panax gin-seng*) extract powder from the highest grade whole root.<sup>†</sup>

The Ultimate Extract® process makes our Chinese Ginseng easier to digest and more available than plain herb powder. By combining the extract with the marc (insoluble herb material remaining after extraction), all beneficial components found in nature are preserved full spectrum to deliver optimal bioavailability.
